¹ Pursuant to Government Code Section 54954.3 (Brown Act), this is the time allotted for the public to address the Board on subjects relevant to the Town that are not on the agenda. Please be aware that the Board cannot take action on items that are not on the agenda. The Board may, however, briefly respond to statements made or questions posed by the public, ask for clarification from staff, refer the matter to staff, request staff to report back on the matter, or request staff to place the matter on a future agenda.

² Pursuant to Government Code Section 54954.3, the public may address the Board on each agenda item during the Board's consideration of that item. Depending on the number of speakers or the interest in the item, the Board may, at its discretion, limit the period of comment for each speaker to five minutes or less. The Board may also restrict, at its discretion, the time allotted for each speaker if the speaker's public comments become irrelevant to the agenda item or repetitious.

The Town encourages the public to submit written comments relevant to the Board's agenda at least one day prior to the meeting where the agenda item is to be discussed. The submission of written comments allows the Board more time to consider the matter, and, in situations where there is significant public interest in a matter, enables the Board to consider a greater amount of input than may be possible if the comments are presented orally at a meeting. Written comments submitted at Town Hall at least one day prior to a meeting will be delivered to each Board Member prior to the meeting.
