**Parks & Recreation Director**  
**Sholland@yville.com**

**Lisa Tyler,**  
**Community Facilities Manager**  
**Ltyler@yville.com**

## PEDESTRIAN SAFETY & ADA COMPLIANCE ARE IMPORTANT TO US IN YOUNTVILLE!

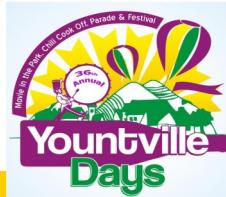

Yountville is recognized for being a walkable and pedestrian friendly community. That reputation has developed over a number of years by the Town making it a priority to fund and complete annual improvements to our sidewalks, park paths, street curb cuts, and access to our Town facilities and programs.

In our community, over 50% of the residents are over the age of 60. The Town has worked hard to develop and improve the pedestrian accessibility in and around our community for our veterans residing at the Veterans Home, our two 55 and over manufactured housing communities, and a retirement community. More importantly, Yountville is a recognized Healthy Eating Active Living (HEAL) community and walking is an important part of a healthy lifestyle which we strongly support and encourage. This year's ADA and pedestrian accessibility improvements included widening the sidewalks on Washington Street in the center of town, new ADA curb cuts and bulb outs at the intersection of Humboldt and Yount Street which also serves to improve access to Yountville Elementary School, and a new ADA curb cut at the intersection of Finnell Road and Vista. We encourage you to get out and about and take stroll to see the completed work!

# October 4, 5 & 6

Come and celebrate all that is Yountville!

**Friday, Oct. 4**

**Movie Night**

6pm Dinner  
Movie at Dusk

Sponsored by  
**COOKE  
ORTHODONTICS**

## TOWN HALL STRUCTURAL STRENGTHENING PROJECT UNDERWAY

By now you have probably noticed the modular unit on the front lawn and all of the work going on at Town Hall. The Town Hall building, which was built in the 1930's and housed Yountville Elementary School, is a seismically unsafe building. The building is undergoing structural strengthening to help it survive an earthquake and make it safer for the public and employees using the facility. The \$3.2 million dollar project is on schedule for a completion by the end of the year. To date, the project has included removal of the clay tile roofing which has been stored on site for re-use, demolition of interior walls and excavation for a new foundation. The windows were removed and preserved and will be reinstalled and the new foundation is being poured as well as new walls going up. The project is progressing smoothly and we look forward to opening in the new year with a safe and beautiful building.

### NEXTDOOR.COM

Have you joined NEXTDOOR.COM yet? It is a simple, secure and great way to stay connected to your neighbors and receive local information.

Log on today to [www.nextdoor.com](http://www.nextdoor.com) and type in Yountville to join.

### ONLINE REGISTRATION A SUCCESS

Since its debut on April 15, 2013, the Parks and Recreation Department has processed over 1,300 registrations through the new ASAP Registration Software System. Over 1/3 of those 1,300 transactions were originated online by the customer. Have you created your family account yet? For fast, easy and secure transactions log on today at [townofyountville.com](http://townofyountville.com).

### FALL BACK ON NOVEMBER 3

Daylight Savings ends on November 3 at 2:00 a.m. so don't forget to turn your clocks back. This is also the time to check your homes smoke and carbon monoxide detectors. It is recommended that you give them a dusting, replace the batteries and run a test to make sure they are operating properly. Alarms should be replaced if they are more than 10 years old or not working properly.
