October 2014

FALL BACK ON NOVEMBER 2!

Daylight Savings ends on November 2 at 2:00 a.m. Don't forget to turn your clocks back. This is also the time to check your homes smoke and carbon monoxide detectors. It is recommended that you give them a dusting, replace the batteries and run a test to make sure they are operating properly. Alarms should be replaced if they are more than 10 years old or not working properly. For more information on being firewise, log on to <http://www.napafirewise.org>.

Yountville Days Weekend Events A New Schedule for 2014!

Yountville Days is coming up and we are excited to share the new lineup of activities with you! Friday Night, October 3 we will be showing The Lego Movie in Yountville Park at dusk. Generously sponsored by Alvarez-Glasman & Colvin Law Firm, the evening will start at 6 p.m. with food by Smokey's Old Skool Barbecue before the movie begins at dusk.

On Sunday, October 5 the parade will begin at 10 a.m. starting at California and Washington Street. After many years of the same route and a lot of feedback regarding traffic interruptions and tired parade entries... we listened. This shortened route will take the parade straight up Washington Street to the park where the festival will begin at 11 a.m. As we go into the year of Yountville's 50th Anniversary, we are thrilled to be acknowledging some of those who were instrumental in Yountville incorporating back in 1965 as our parade marshalls this year. Ella Gates, Charley Williams and Ray Monte will be honored. We are excited to welcome back "The Time Bandits" as our headlining band this year with local band "MOXIE" opening the festival. We will have plenty of children's activities, drinks, tons of food and other goodies as well as an amazing raffle! Thank you to Ranch Market Too & Bistro Jeanty for their generous sponsorship of Yountville Days this year and to the many other businesses and donors who make this event possible. We hope to see you all for this terrific weekend that is a true celebration of Yountville! More information can be found at www.townofyountville.com/yvdays.
