Did You Know?

On March 6, 2015 all Town Parks and Recreation Spaces are going Tobacco Free! "Parks and Recreation Areas" are defined as parks, trails, paths, sidewalks and landscaped areas proximate to recreational facilities including the Community Center and Community Hall and any other similar facilities.

Employee Spotlight

Joe Tagliaboschi,
Public Works Director

Briefly describe what you do for the Town:

I am the Public Works Director here in Town. As the director I am responsible for any of the public works related activities that occur here in town. Construction and maintenance for our streets, water, waste water, parks and pathways and all of the related infrastructure all fall under my purview and responsibility.

What is the best thing about working for Yountville?

I am lucky that I get to work with a great group of talented people, who share a passion for working in a public agency. We get to work in a town that supports and appreciates what we do. In my experience both of these things are exceedingly rare and special.

If there is one thing you want people to know about Yountville, it would be:

I love that while Yountville has changed in the 24 years I have lived here and is a world class destination, the town still has a really small town culture. I think it is remarkable that the town has made a conscious effort to retain that culture that drew us to this town so many years ago.

Summer Parks and Recreation Positions

Your chance to be a role model!

The Town of Yountville Parks & Recreation Department is looking for part-time and seasonal staff in the following positions: Certified Lifeguards, Water Safety Instructors, Pool Attendants, Summer Camp Recreation Assistants and Community Center Building Attendants. Please review each job description to learn more

and find out if you are qualified. Lifeguard and WSI positions require up-to-date certifications.

Summer positions at the Yountville Pool and in Summer Camp will begin with training in late May and programs beginning the first week of June. Building attendant positions would start immediately.

Apply at www.townofyountville.com or at Yountville Town Hall, 6550 Yount Street, Yountville. Application deadline, March 10, 2015 at 5:00 p.m.

How Do You Avoid a Parking Ticket?

A Friendly Reminder from Your Yountville Deputy Sherri

The Town puts a great deal of effort into planning and trying to address problem areas with parking management efforts to keep our roadways as free flowing and safe as possible. As a tip, you do not have to be away from your vehicle to be in violation. Many of the regulations state, "no stopping, standing or parking". Just because you are still seated in your car or you, "just stopped for a minute" does not mean that you won't get a citation.

Here are some of our most common parking violations to help you avoid getting an unwanted note on your windshield:

- Parking Restricted – Look carefully for signs and curb markings before you park.
- Display of expired registration tabs- (not the same as expired vehicle registration) can be enforced on public land or in parking lots open to the public.
- Right wheel to right curb-- (enforceable if there is no curb) park in the same direction that traffic flows.
- Parking in the roadway – no part of your vehicle can block any portion of the traffic lane.
- Outside of designated stall – park between the marked lines if they are present (there is an exception for oversized vehicles, RVs, etc).
- Handicapped stalls and bus loading zones – Largest penalty fines of \$262.50.
