Winter Storm Prep...

Part 2

Last month we provided some tips on how to prepare for the winter storms. We hope you found that information helpful! This month, we are encouraging our residents to take action as well. Are you ready for winter storm preparation 2.0?

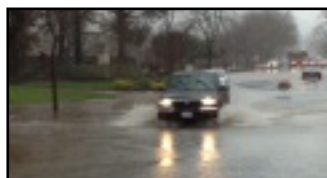

Resident Checklist for Winter Storms:

Have you:

- ☐ Cleaned your gutters and downspouts? With the leaves finally falling, this should be done on a regular basis as leaves accumulate.
- ☐ Checked to make sure your windshield wipers are in good working condition?
- ☐ Reviewed your insurance documents to see what is, and is not, covered?
- ☐ Programmed your phone to include all emergency numbers?
- ☐ Signed up for Nixle.com, a service that provides text message alerts?

During the storm:

- ☐ Turn Around, Don't Drown! Did you know that just 6 inches of moving water can knock you down, and 2 feet of water can sweep your vehicle away?

During periods of excess rainfall: A sandbag station will be available at Yountville Community Park 24/7 and will operate on a self-serve basis only. In the event of an emergency, always call 911. During the week (8 a.m. - 5 p.m. Monday - Friday), if you have an urgent problem, please call Town Hall at 707-944-8851. Outside of business hours, if you need immediate assistance, please call the Napa County Dispatch at 707-253-4451.

You're Invited to "A Day at the Corp Yard" on Saturday November 21 at 8 a.m. to 11 a.m.

The Town recently upgraded our street sign standards and replaced our old street signs with new ones! We are inviting residents to come down to our Corp Yard to purchase the old ones. This is a great way to get a piece of Yountville history. Posts will be raffled off at \$50 with proceeds going to the Youth Subsidy Fund. If you are interested in attending, please RSVP to Preya Nixon at pnixon@yville.com or by calling (707) 944-8851.

Please visit www.yountville.com for more information on this exciting event!

Meet Larry, Our New Public Works Supervisor!

What do you do for the Town? I oversee the maintenance of the Town's parks, facilities and streets.

Why you are excited about working for the Town? I come from a Street Maintenance background. I am excited to expand my knowledge of Street Maintenance along with learning Parks and Facility Maintenance. In my short time here I have come to learn how appreciative the citizens of Yountville are for the work we do!

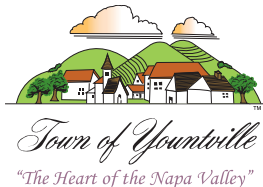

"There an App for That!"
