Water Conservation Community Outreach Meeting Monday September 21, 2015 at Community Hall

Mark your calendars ~ We are excited to announce a community outreach workshop to discuss all things water conservation! Are you interested in learning about our Cash for Grass program? Which type of drought tolerant plants should you put in your garden? How should you set up your irrigation? Please come to Community Hall on **Monday, September 21st at 6:30PM** to hear experts speak about how easy it is to save water! We are excited to have the following people attend:

Lori Cagwin: Master Gardener-Lori has over 25 years of experience with drought tolerant landscapes.
Pat Costello: Cash for Grass liaison from the City of Napa
Chris McNairy, from Hunter Irrigation
Joe Tagliaboschi, Public Works Director
Steve Rogers, Town Manager
And YOU! Our wonderful residents who have worked so hard to save water!

Did You Know?

Intrusive and excessive noise can pose a serious hazard to the public's health, welfare, safety, and quality of life. Per our Municipal Code, the Town limits construction and landscaping work as follows:

Construction/Demolition

Contractors: 7:30am-5pm Monday-Friday
Property Owners: 7:30am-8:00pm Monday-Friday and 9am-8pm on Weekends.

Gardening/Landscaping Maintenance

Contractors: 8am-5am Monday-Friday
Property Owners: 8am-8pm 7 Days a Week

For a complete description of our Noise Ordinance, please visit http://qcode.us/codes/yountville/view.php?cite=section_8.04.040&confidence=6

Join Us on October 4, 2015

For Yountville Days!

Celebrating 50 Years!

Friday, October 2 ~ Movie in The Park
Sunday, October 4 ~ Parade and Festival

Join us for this annual event that celebrates Yountville with those who live and work here. On Sunday the parade and festival will take center stage. The Parade will begin at 10 a.m. at California and Washington Streets and end at Yountville Park where the festival will begin at 11 a.m.

Interested in volunteering? Email Samantha at sholland@yville.com or call (707) 944-8851.

Capital Improvement Projects Update:

We are excited to announce that a new path has been completed between Mission and Hopper Creek behind Hotel Yountville and in front on the mobile home park. This path was repaved and regraded and is now all-weather and ADA accessible!

Measure A Update: We are in full swing with work starting at Finnell and continuing adjacent to the French Laundry Garden and parallel to the bike path behind Villaggio Channel.

Exciting Job Opportunity with The Town!

Recreation Assistant I/II (Part-Time)
\$9.25 - \$13.67

Are you a go-getter? Are you excited to serve your community and provide great customer service? Are you eager to improve the lives of those around you? Do you see yourself as a strong role model for youth?

If you answered yes, then Yountville Parks & Recreation could be the perfect place for you!

Apply at www.townofyountville.com or at Yountville Town Hall, 6550 Yount Street, Yountville. This position is open until filled.

Staff Spotlight: Terry Moylan

Meet Terry! Terry has been employed by the Town for 27 years, all at the Waste Water Treatment Plant.

For Terry, the best thing about working for the Town is providing a service for residents and visitors that is important to their health and sanitation. "I help keep the flow going in the right direction and cleaned up properly. All of the sanitary sewer flow is treated to make it a reusable resource. Please never put any grease, wipes or rags down the drain!"

Terry states that "I am fortunate to have a home here in Yountville and be part of the community. It is a great walking and biking location in the Valley - I can ride my bike to work!"

Terry-your dedication and commitment to our Town is truly outstanding!

New Electronic Vehicle Charging Station!

Two new electric vehicle (EV) charging stations were installed at Town of Yountville facilities. The new stations in front of Town Hall and behind the Community Center each have the capacity of charging two vehicles at a time.

The stations were installed as part of the Bay Area Charge Ahead Project, a grant program funded by the California Energy Commission.

These installations are just one of a series of projects the Town has undertaken to achieve its goal of environmental responsibility. To learn more about the Town's efforts, the public is welcome to attend Go Green Team meetings on the fourth Tuesday of every month at 4:30 PM at Town Hall.

Have fun on the Art Walk!

You are invited to **inspire, gather and create** your own photos of our Art Walk by using **#yvartscontest** on Instagram. Submit your entry between now and December 31, 2015 to be considered for a great wine country prize!
