### Envision Yountville Update

The last several months have seen some exciting Envision Yountville Speaker Series events at the Yountville Community Center. With the conclusion of the Speaker Series, the Town Council has selected 11 community members to serve on the Envision Yountville General Plan Town Advisory Group. This advisory group will meet on the second Thursday of every month at 6:00 p.m. in the Town Hall Council Chambers. During these meetings, the group will discuss different policies, goals, and objectives that will eventually be incorporated into recommendations for updating the Yountville General Plan that will go to the Town Council.

The community is invited to attend topic focused Community Workshops on the General Plan! **The first workshop will be held on August 24 at 6:00 p.m. in the Community Center.** These interactive workshops will give community members the opportunity to provide feedback on particular portions of the General Plan.

It has been great to see the Town turn out for the Speaker Series, and even more resident participation is expected and welcomed as we continue to Envision Yountville!

Stay up-to-date, and learn more about the workshop topics, by visiting [www.envisionyountville.com](http://www.envisionyountville.com)

## Veterans Memorial Park Dedication: A Huge Success!

On June 5, 2017, the community gathered to dedicate the newly renovated Veterans Memorial Park. In attendance were veterans from the Veterans Home, Yountville Town Council and other special dignitaries. This newly renovated park pays homage to the rich history of veterans and our unique relationship with the California Veterans

Home in Yountville. You will notice notable elements such as new flagpoles including the display of the MIA flag and a special star in the center of the park that represents those who have served or are serving the country with military service branch medallions.
