Introducing the Newly Renovated Veterans Memorial Park!

Have you checked out Veterans Memorial Park recently? You will notice that it has recently undergone some amazing renovations. This park pays homage to the rich history of veterans and our unique relationship with the California Veterans Home in Yountville. You will notice certain notable elements including extra flagpoles to display the MIA flag, service medallions and a special star in the center of the park that represents those who have served or are serving the country. The Town consulted with the California Department of Veterans Affairs and held meetings at the Veterans Home to ensure these elements were accurate and inclusive.

This park also features a grassy amphitheater, which residents can enjoy during the music in the parks series. It is the perfect spot to enjoy some shade or sun, and catch up with your neighbors! Brightly colored flowers add different levels of landscape, offering a refreshing look all year round!

The design of the park was made possible from community input through the Parks and Recreation Advisory Commission and the Town Council. Their guidance allowed Town staff to create a vibrant new park.

Underpass Mural Installation Update Completed!

Artists Sofia Lacin and Hennessy Christophel of LC Studio Tutto worked during the month of May to paint the unique mural "Memory of a Tree" on the underpass. The Yountville Arts Commission and the Town Council extends a warm thank you to the artists and the public for making this dream into a reality. Please be sure to use #YVMural and post your photos on social media!

What Are Your Favorite Ways to Stay In Touch With Us?

Last month, we unveiled a new "[How to Get in Touch with the Town](#)" flyer, and the feedback has been amazing! We asked a few residents what their favorite method is. Here are a few answers:

- ◆ "E-notifications are an easy way for me to read press releases and hear about community events! I like that you select the news you want!"
- ◆ "For me, signing up for online bill pay and e-statements was the perfect way to ensure I paid my water bill on time! It's very easy to sign up!"
- ◆ "I recently used 'MYville', the Town's App. It was so cool--I used the 'Report It' feature to notify the Town of a tree limb. The Parks Crew responded that morning!"
- ◆ "I planned a summer excursion by visiting the Town's website. I called Parks and Recreation and signed up!"

Strategic Plan Complete

The Town Council, with the help of residents and Town Staff, is pleased to announce the progress on the Five Year Strategic Plan. The three (3) community meetings provided great feedback and the Council will adopt the new strategic plan at the June 6, 2017 Council Meeting.
