Followed by a FREE showing of the movie the Polar Express at the Lincoln Theater!  
The Yountville Trolley will be available to take you to the Lincoln Theater

5:30 - Lighting ceremony with Santa and Mayor Dunbar  
7:30 - Polar Express Movie begins at Lincoln Theater

This event is Free, but an RSVP is required. Please call (707) 944-0904 or email [info@yountville.com](mailto:info@yountville.com)

Celebrate  
the beginning  
of the holiday  
season

**The Yountville Arts Commission is excited to announce our 2nd annual Children's Holiday Art Show, "IMAGINE" opening on December 7, 2017 in the Yountville Community Center Gallery**

Mark your calendars for the free-open to the public art reception from 5:30 p.m. - 7:00 p.m. at the Yountville Community Center. Meet our artists, have some festive holiday goodies and bring a new and unwrapped toy or gift card to donate to the CalFire Yountville Station 12 Toy drive.

The show will highlight the importance of art in a child's life and showcase our children's creativity for all to see. Art work must have been created by a child under the age of 14 and who is either a resident of Napa County or be submitted by a relative living in Napa County. Learn more about the show by visiting [www.yountvillearts.com](http://www.yountvillearts.com)

#### Sign Up for Nixle to Get Alerts

Yountville residents can register to receive Nixle messages by sending an SMS (text) message to our "short code" phone number 888777, with ZIP code 94599 as the body of the text. You'll get emergency notifications related to safety, road closures and storm preparations and community events.

## Don't miss the November 21 Envision Yountville Workshop!

Due to the Napa Fires, the Town of Yountville rescheduled the October Envision workshop so that everyone could attend. Please join us at the Yountville Community Center on Wednesday November 21 at 6:00 for the second Envision Yountville Public Workshop. This second workshop is expected to be just as exciting as the first, utilizing the same quick polling devices as the first workshop to provide an interactive and fun community dialogue. This workshop will be focused on a discussion about land use, circulation, and how our community will thrive in the future. More information is available on [www.envisionyountville.com](http://www.envisionyountville.com). See you there! The first workshop had a great turnout, and participation in the online virtual meeting has been fantastic!

## Getting Prepared for Rainy Season! It's Easier Than You Think!

As we approach winter storm season, we want to make sure all residents are prepared and ready!

*Have you:*

- Cleaned your gutters and downspouts? With the leaves finally falling, this should be done on a regular basis as leaves accumulate.
- Checked to make sure your vehicle windshield wipers are in good working condition?
- Reviewed your insurance documents to see what is, and is not, covered?
- Programmed your phone to include all emergency numbers?
- Signed up for Nixle.com, a service that provides text message alerts? Signing up is easy, just visit [www.nixle.com](http://www.nixle.com) and follow the simple instructions.
- Installed the MYville App on your mobile or tablet device to report broken limbs, or leaves accumulated near storm drains. Search "MYville" on the Apple store or Google Play Store.

### During the storm:

*Turn Around, Don't Drown!* Did you know that just 6 inches of moving water can knock you down, and 2 feet of water can sweep your vehicle away?

During periods of heavy rainfall: A sandbag station will be available at Yountville Community Park 24/7 and will operate on a self-serve basis only. Sign up for eNotifications on the Town's website, and Nixle to learn when this station is available!
