Get Ready for August's Annual Camp Out with Parks and Recreation!

August is here and that means it is time for the Annual Campout with Parks and Recreation! This year, Parks and Rec will be showing *Mary Poppins Returns!* This musical fantasy film sequel takes the audience to 1930's London, where Mary Poppins descends from the sky ready to help the Banks family. What adventures will we see? And what songs we will sing? Come and Find out!

To Campout, call 944-8712 to reserve your spot. The Campout is free for residents and \$25 per site for non-residents. Space is limited to one tent and six people. Campers are welcome to start setting up their tents at 4:30 p.m. Remember, space is limited and pre-registration is required and must be completed by August 9, 2019. The movie starts at dusk and food will be provided by Yountville Elementary School Family Club BBQ. Also, although we love our furry friends, please leave them at home for this event.

REMEMBER: Everyone is welcome to come for the free movie screening. Camping is NOT required.

Come Dance with Music in the Park!

The Parks and Recreation Department is excited to bring to Yountville two free Music in the Park shows in August at the Veterans Park!

First, on August 11, 2019, residents are invited to sing-a-long with Smorgy! Smorgy, also known as Jeffrey Fetters, was born and raised in Napa until age 13. Throughout his time apart and after coming back in 2006, Smorgy had the opportunity to learn the music business, play in his own original band and two successful 60's tribute bands. He has taken his guitar through Europe, the UK, the Caribbean, and Central America, where he found that music truly does transcend the language barrier!

Then, on August 25, 2019, the Doc Kraft & Company returns once again to Yountville to make residents dance! The Doc Kraft & Company believes dancing is the best medicine, and that's why they play Dance, Latin, Cajun-zydeco, Country-Bluegrass, Disco, R&B, and many other jams to get the soul dancing!

Both shows start at 5:00 p.m. and a food truck will be available on-site.

Be Prepared For An Emergency

The Town would like to remind everyone in Town to be prepared. Wildfires can happen at any time; however, during the summer months, there is a higher threat of extreme weather. Extreme weather includes hotter drier temperatures, which make fires easier to ignite. Add high winds and suddenly big blazes can spread fast. Also, as reminded by the recent Ridgecrest earthquake, we live in earthquake country. Please, do your part to be prepared for 72 hours!

The Town has created an Emergency Preparedness website to equip residents with information to help prepare for when an emergency occurs. On the website, residents can find downloadable checklists of items to have at home in case of emergencies, descriptions on how to manage an emergency situation, and information on Neighbors Helping Neighbors.

Visit www.townofyountville.com and click on the Emergency Preparedness picture or click on the link under Departments & Services for Emergency Preparedness Information. **Also, mark your calendars for Tuesday, October 29, 2019.** The Town will be hosting an Emergency Preparedness Workshop at 5:30 p.m. to provide you with useful information on how to prepare for an emergency.
