A Message from Your Friendly Neighborhood Sheriff

We at the Napa Sheriff's Office have been receiving reports of ongoing phone and internet scams. The latest is a repeat scam. The person calls an elderly person and claims to be a family member in trouble or in need of money. The caller typically asks the victim to get gift cards or to send money electronically. The caller will try to keep the victim on the phone.

If you get a telephone call or email of someone claiming to be your family member or friend in need of help, hang up and call your other family members or the Sheriff's Office to find out if the situation is a scam or someone needing help.

You can always call our Non-Emergency Dispatch at 707-253-4451.
