Leaf Blower Ban Starts in July

The Town would like to remind the community that the Council passed Ordinance 20-498 which bans the use of gas-powered leaf blowers in Town starting July 1, 2021. Homeowners or landscapers/gardeners in Town must use an electric or battery-operated leaf blower.

The Town is finalizing outreach efforts to inform landscaping companies of the ban as well as creating an information page on the new incentive program which will help replace the gas-powered equipment. If you currently have a gardener or firm we ask you to please let them know of this coming change and to reach out to Town Hall for further information at (707) 944-8851. To view the Ordinance visit www.townofyountville.com/municipalcode and click on the Code Alert link found on the left navigation bar. To learn all about the leaf blower ban and the incentive program visit www.townofyountville.com/leafblower.

Give Your Input – Budget Meetings for Next Fiscal Year Coming Soon

The Town Council and staff invite all community members to the 2021/2022 budget meetings.

These budget meetings will be held virtually via Zoom and streamed live on the Town's Youtube channel. Mark your calendars for May 5 and May 19 when the Council will review and discuss the Fiscal Year 2021/2022 Proposed Budget. Proposed budget information will be posted in April. For more information visit www.townofyountville.com/budget. If you would like to provide comments for these meetings visit www.townofyountville.com/onlineparticipation.

What: Budget Workshops #2 & #3

Sign-Up for Autopay!

Do you want to take out the hassle of having to remember to pay your utility bill every month? Then sign-up for autopay!

The Town offers autopay service for all customers in Town and signing up is super easy. All you have to do is visit our website at www.townofyountville.com and clicking on the Pay My Bill icon on the front page. When you click the icon, you will be taken to our payment page where you can select to log in or register if this is your first time using our page. Once you're registered, all you have to do is go to the My Account section and check the Autopay box under the "Options" heading before hitting the "Add Payment Method" button. Fast, Easy, Safe, PAID!

Did You Know?

The Yountville Connection will now feature the Did You Know? segment which will give you fun facts about the Town. For the first Did You Know we go back in time to 1967 when Yountville was still a new young municipality in the Napa Valley. We found a small article in our archives from the local newspaper Napa Valley News. In it, we found a small announcement from Town Hall titled "Hall Hours". Back then Town Hall was referred to as City Hall and we decided to let everyone in Town know that the administration had installed the first telephone in the office for the convenience of the public.

Can you remember when Town Hall did not have a phone? More importantly, can you imagine the local newspaper as the only way to find out information? Today the Town is proud to not only have multiple phone lines available for all our departments, but we can communicate with you through so many outlets. We have our press releases and general news that arrive directly to your email inbox instantly. We post most major announcements on our website and social media channels. We can send text messages directly to your mobile phone via Nixle for important advisory and emergency news. And who knows what else the future has in store for us. But one thing is certain, your Town staff will always work hard to find the best sources available to make sure you are always informed!

HALL HOURS

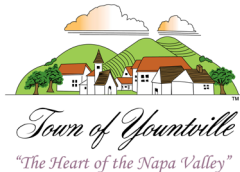

Yountville's city hall office, at 6516 Yount Street (former Catholic church hall) is open three days a week on a part-time basis, according to Mrs. Revae Foley, deputy city clerk.

The office, with Mrs. Foley in charge is open each Monday, Wednesday, and Friday from 10 in the morning until 2 in the afternoon.

For the convenience of the public a telephone was recently installed - 944-2515.
