# Low Income Household Water Assistance Program

Need help with your Water and Wastewater Payment? There is help for those who qualify.

LIHWAP offers a one-time payment to help you pay your **water & wastewater** bills even if you're **current** on payments. LIHWAP helps pay bills accrued **anytime**. There are no date restrictions.

Households can apply for LIHWAP assistance through a local LIHWAP service provider. Eligibility for LIHWAP services can vary depending on income, water system participation, place of residence, and other factors. Households whose utility payments are included in their rent may also be eligible for LIHWAP. Recipients of CalFresh, CalWORKs, and LIHEAP are automatically income-qualified for LIHWAP assistance.
