WELCOME TO TOWN

Kendra is excited to be joining the Town of Yountville in the new role of Code Compliance Officer.

Kendra grew up on a horse ranch just outside of Lodi. Growing up, her parents raced thoroughbred horses at different California Fairs and spent a lot of time helping take care of animals on the ranch and attending fairs during the summer months.

Throughout her career, she has worked in different forms of compliance – from sustainable development projects and programs in higher education to solid waste management at a local jurisdiction.

She is excited to expand further into protecting the health and safety of our community in this new role and work with the community members to continue to make Yountville a wonderful place to live and work!
