Water Conservation Update

With the historic 2023 winter rain and snowfall Phase II Water Shortage Emergency restrictions were lifted at the April 18th Town Council Meeting with the adoption of Resolution 23-4201. The following prohibitions regarding wasteful water use will remain in effect.

- Watering of ornamental grass on commercial properties
- Use of water for decorative fountains where the water is not recirculated.
- Washing vehicles by hose without a shutoff nozzle.
- Watering in a manner that results in runoff.
- Use of water to clean streets during or following construction activities.
- Withdrawing water from fire hydrants.
- Use of water for grading, dust control or similar construction.

Visit our *Water Conservation* page for more information. We encourage customers to use the Eye on Water application to monitor both water use and potential leaks.

Visit Eye on Water for enrollment information.

Boards & Commissions Vacancies

Interested in Volunteering?

If so, the Town has new vacancies with Yountville Arts Commission and Yountville Community Foundation. Applications are now open.

To apply, visit www.townofyountville.com/apply and click on *View All Boards and Commissions Vacancies* header on the top left corner of the page.

The application deadline for these vacancies is Monday, June 19, 2023 at 5:00 p.m. For any questions, email TownClerk@yville.com.

To learn more about Alert Napa County, visit readynapacounty.org. If you have questions, please contact emergencyservices@countyofnapa.org.

In a continuing effort to keep Napa County residents safe and informed, the Office of Emergency Services has transitioned to a new, more robust countywide notification system called Alert Napa County. Through Alert Napa County, notifications will provide subscribers with critical and time-sensitive information for a variety of situations, such as severe weather, public health advisories and life-threatening incidents like wildfires and evacuations.

To sign up for an Alert Napa County account:

- By smartphone: Install Alert Napa County powered by Everbridge by downloading the "Everbridge Mobile App" via the Google Play Store or Apple App Store. When prompted, click "Find an organization or subscription" and type in "Napa County." Then select the organization "Alert Napa County." Create a log-in and then follow the steps to customize your selections.
- On the web: Navigate to readynapacounty.org. Create a log in and then follow the steps to select specific location-based notifications.

Existing Nixle users are automatically entered into the Alert Napa County system and will continue to receive zip code-based alerts.
