Yountville Town Council Staff Report

DATE: June 3, 2025

TO: Mayor and Town Council

FROM: Celia King, Administrative Service Director; Kyle Batista, Financial Analyst

PREPARED BY: Kyle Batista, Financial Analyst

RECOMMENDATION

Receive and File April 2025 Monthly Financial Report.

DISCUSSION/BACKGROUND

The monthly financial reports are presented to provide a summary overview of revenues and expenses of the Town's major funds: General Fund, Capital Projects Fund, Water and Wastewater Enterprise Funds.

See below for the April 2025 financial report.

April 2025 – 83.3% of the Fiscal Year

TOT revenue reflected in the April 2025 monthly financial report is applicable to collections for July 2024 through March 2025, or 75% of the Fiscal Year. TOT revenue collections fluctuate throughout the year and historically, July through October are stronger collection months.

Sales tax receipts lag 2½ - 3 months behind the actual collection period. The sales tax included in this April report is applicable to July through February, or 66.7% of the fiscal year.

The Town received its second sizeable installment of property taxes from Napa County in April. Property tax revenue collections are at 76.8% of budget projections for the fiscal year. The next large installment of property taxes is expected towards the end of the fiscal year.

Most General Fund departments' expenditures are at or below the expected 83.3% of budget as of April. If a department reflects a higher expenditure amount, it is due to large one-time payment that was made at the beginning of the fiscal year.

Utility Enterprise funds' expenditures are within expected budgeted amounts. Town staff has processed all enterprise fund transfers as reflected in this report.

The Town is no longer expecting to receive the \$2,000,000 USDA low-interest loan revenue budgeted in Fund 63 Wastewater Capital Joint Treatment Capital. Additionally, the Town is anticipates only receiving about \$300,000 of the \$1,750,000 budgeted in Miscellaneous Revenue in the same fund. This is the insurance reimbursement for the Recycled Water Transmission Main Repair Project. There is adequate Fund 63 fund balance to cover these changes.
