

March 2022 Edition

## Joe Tagliaboschi Appointed to Vacant Council Seat

The Yountville Town Council appointed resident Joe Tagliaboschi at its February 1, 2022 Town Council meeting to fill a vacancy on the Council. Council Member Tagliaboschi will serve until the end of the current term in December 2022.

“It is an honor and a privilege to serve as a Council Member for the Town of Yountville” said Council Member Tagliaboschi. I will work hard to find equitable solutions for problems large and small for the benefit of the Yountville Community!”

Prior to his appointment, Council Member Tagliaboschi served as the Public Works Director for the Town and oversaw several projects until his retirement in August 2021.

---

## Housing Element Update

The Planning and Building Department has begun the process of updating the Housing Element for the Town. The Housing Element, required by State law, is one of seven elements of a General Plan and is a long-range visionary document to establish how the Town of Yountville to provide for our regional share of housing units. The Town is asking residents to weigh in on helping us craft a solution to meet our regional housing needs.

If you want to learn more about the Housing Element and how you can participate, we invite you to visit our website at [www.townofyountville.com/housingelement](http://www.townofyountville.com/housingelement). Residents are encouraged to visit the Napa-Sonoma Collaborative Housing Element website at [Let's Talk Housing - Napa Sonoma Collaborative](http://Let's Talk Housing - Napa Sonoma Collaborative) where you can register to get involved in the process. And while you're visiting these pages, don't skip the Yountville Housing Element 101 video created by Town staff to help learn more about this process.

## Family Events Coming Up!

Attention Yountville residents! It is time to mark your calendars for your kids' favorite Parks and Recreation events are coming soon!

On April 15, join us in dyeing Easter Eggs at the Yountville Community Center in preparation for the egg hunt on Saturday! Bring the kids to this event to make tons of colorful eggs! Pre-registration is required and kids under the age of 12 must be accompanied by an adult.

Then, on Saturday, April 16, bring the kids and family to enjoy a morning Egg Hunt! The hunt will take place at Yountville Community Park starting at 10:00 a.m. sharp! We will have areas separated by age groups. If you have kids under the age of 3, they can have parent helpers!

## Parks and Recreation Master Planning

Did you know the Parks and Recreation Department is working on a new Master Plan? You might even ask yourself, what is a Parks and Recreation Master Plan? It is the plan intended to provide a road map that will guide decision-making to improve, maintain and manage our parks, open space paths and trails, facilities and recreation programs for the next ten years.

The Town desires an inclusive process to evaluate community needs and to assess the current conditions of the Town's parks and recreation facilities and programs while planning for the future. That is why we need you, our residents, to get involved!

Visit [www.townofyountville.com](http://www.townofyountville.com) and click on the Parks and Recreation Master Plan button found on the front page to find detailed information about the Master Plan and the meeting schedule for 2022 so you can attend the meetings to provide feedback. While you're there, don't forget to sign-up to receive e-notifications so you receive reminders about these meetings!
