New Electric Vehicle Charging Stations

We are excited to announce two new EV (electric vehicle) charging stations from SemaConnect! Dual stations are located at the north parking lot at Yountville Community Park located on Jackson Street & Lincoln Avenue and another station is located at the Veterans Community Park on Washington Street just south of California Drive.

These EV charging stations can charge all electric and plug-in hybrid vehicles and are safe, reliable, and easy to use. If you have any questions about our newest green amenity, please contact Rosalba Ramirez, Deputy Public Works Director, at rramirez@yville.com.

Thanks and happy charging!

Parks and Recreation Master Plan Survey LIVE!

Help guide the future of Parks & Recreation in Yountville by telling us what you think!

Visit www.townofyountville.com/masterplan or pick up a paper survey at the Community Center.

Parks & Recreation Master Plan

The Town of Yountville wants to include you in the process to evaluate community needs and to document the history, and assess the current conditions of the Town's parks and recreation facilities and programs while planning for the future. This plan will be the first of its kind for Yountville and is intended to provide a road map that will guide decision making to improve, maintain and manage our parks, open space, paths and trails, facilities and recreation programs for the next 5-10 years.

Get INVOLVED by taking the survey and marking your calendars for the July 13 Public Workshop!
