Town of Yountville [October 20, 2023]

MANDATORY BOIL WATER NOTICE

Boil Your Water Before Drinking or Food Preparation to Avoid Illness

Due to recent sample results with a positive E.coli notification from the California Veterans Home Water Plant Water System (Rector Reservoir Treatment Plant) , which occurred on 10/20/2023, the State Water Resources Control Board, Division of Drinking Water, the Napa County Health Department, the California Veterans Home Water Plant Water System and the Town of Yountville Water System are advising residents of Yountville to only use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution to avoid stomach or intestinal illness. The affected area includes: [ALL 838 Town of Yountville Water Customers](#)

We will inform you when tests show that water is safe to drink, and you no longer need to boil your water. We anticipate resolving the problem by 10/24/2023.

If you have questions about other uses of tap water, such as bathing and dish washing, please call your water system or read this guidance:
<https://www.cdc.gov/healthywater/emergency/dwa-comm-toolbox/before/tools/What-to-Do-During-a-Boil-Water-Advisory.docx>

Do not drink the water without boiling it first

- Boil all water for one (1) minute (rolling boil).
- Let water cool before drinking.
- Use boiled or bottled water for drinking, brushing teeth, and food preparation until further notice.
- Boiling water kills bacteria and other organisms in the water.

If you are unable to boil your water:

Household unscented liquid bleach

- For clear water, use 8 drops (1/8 tsp.) of bleach for 1 gallon of water. For cloudy water, filter through a clean cloth and use 16 drops (1/4 tsp.) of bleach for 1 gallon of water.
- Mix well. Allow to stand for 30 minutes before using.
- Water may taste or smell like chlorine. This means disinfection has occurred.

Water disinfection tablets

- Please follow the manufacturer's instructions.

For More Information

If you are concerned about your health or the health of a family member, contact your health care provider or the Napa County Health Department
