PROCLAMATION

Recognizing March 2022 as American Red Cross Month

WHEREAS, the American Red Cross was established in 1881 as a humanitarian organization to provide care and services to those in need. Today, the American Red Cross is one of the largest humanitarian organizations in the world, and delivers its mission every day to prevent and alleviate human suffering in the face of emergencies; and

WHEREAS, March is American Red Cross Month, a time to honor the kindness and generosity of volunteers here in the Town of Yountville, who provide emergency shelter, food and comfort for families devastated by local disasters like wildfires; donate blood for individuals receiving essential medical treatment; support servicemembers and veterans, along with their families and caregivers, as they manage the unique challenges of military life; help save lives with first aid, CPR and other skills; or deliver international humanitarian aid; and

WHEREAS, we dedicate the month of March to all those who support the American Red Cross mission to prevent and alleviate human suffering in the face of emergencies. Our community depends on the American Red Cross, which relies on volunteers and the generosity of the public to perform its mission and advance the legacy of founder Clara Barton, who lived by her words, "You must never think of anything except the need, and how to meet it."

NOW, THEREFORE LET IT BE RESOLVED, I, John Dunbar, Mayor of the Town Yountville, do hereby proclaim March 2022 as American Red Cross Month. I encourage all Americans to support this organization and its noble humanitarian mission.

John F. Dunbar, Mayor
