Town of Yountville Proposed Rates Overview

Introduction

Bartle Wells Associates (BWA) has been retained by the Town of Yountville to evaluate the Town's current water and wastewater rates and make recommendations on rate increases. At a public hearing, on Tuesday, February 6, 2018, the Town adopted 5 years of rate increases from FY 2016/17 through 2021/22. The Town now wants to update its water and wastewater rates for the next five years to reflect current costs of service. This document provides a comparison of the proposed rates and regional rates.

Proposed Water Enterprise Rates

Chart A shows a comparison of the Town's current and proposed water bills for an average single family user. The Town's current average bill of \$94.83 is below the regional average of \$95.48. The first proposed increase on January 1st, 2023, would increase the average bill to \$110.69.

- **Overall 11% Increases & Increase System Replacement Fee In Year 1:**
 - Increases the system replacement fee in Year 1 by a fixed dollar amount and 11% each year over the next 4 years.
 - All other rates would increase 11% each year over 5 years.
 - Adequately recovers capital costs without the need for transfers from the operating fund.
 - The first proposed increase on January 1st, 2023, would increase the average bill to \$110.69.

Proposed Wastewater Enterprise Rates

Chart B shows a comparison of the Town's current and proposed wastewater bills for an average single family user. The Town's current average bill of \$78.99 is below to the regional average of \$102.45. The first proposed increase on January 1st, 2023, would increase the average bill to \$83.25.

- **Overall 5.4%, 5.4%, 5.4%, 5.9%, 5.9% Annual Increases:**
 - Keeps the current wastewater rate structure and increase all rates by 5.4% the first three years, and 5.9% the next two years.
 - \$3.4 MM of total cash fund reserves projected by Year 5
 - Generates positive net revenue for additional capital projects or debt service by Year 5.

- The first proposed increase on January 1st, 2023, would increase the average bill to \$83.25.

Combined Bill Impacts

Chart C shows a comparison of the Town's current and proposed combined water and wastewater bills for an average single family user. The Town's current average bill of \$173.82 is below to the regional average of \$197.92. The first proposed increase on January 1st, 2023, would increase the average combined bill to \$193.94.
