PERMIT #:

PROPERTY ADDRESS:

PROPERTY OWNER'S NAME:

NUMBER OF SMOKE DETECTORS #:

NUMBER OF CARBON MONOXIDE DETECTORS #:

As owner/contractor of the above-referenced property, I/We affirm and declare that the alarms referenced above have been installed in accordance with the manufacturer's instructions and in compliance with the California Building and California Residential Codes. The alarms have been tested and are operational. The property owner and contractor shall sign the affidavit for document to be accepted:

Owners/Contractor information:

Owner Name: _____

Owner's Signature: _____ Date: _____

Contractor's Name: _____

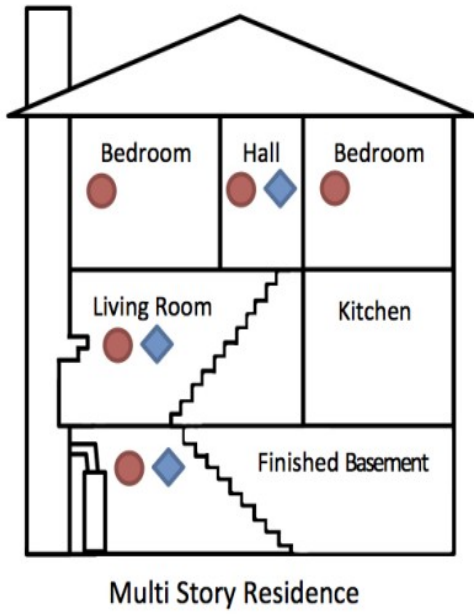

Contractor License Number: _____

Contractor's Signature: _____ Date: _____

Placement Considerations:

- Remember that every level including basements also requires both carbon monoxide and smoke detectors.
- Smoke detectors shall have a minimum 10-year rated battery (effective July 1, 2014).
- Detectors shall be located a minimum of 20ft away from cooking appliances.
- Detectors shall be located three (3) feet away from openings into bathrooms, mechanical supply/return registers and ceiling fans.
